MEMORANDUM FOR THE RECORD

SUBJECT: Senate Governmental Affairs Committee Hearing on
Defectors: Conversation With John Sopko

1. On September 9, 1986, I spoke with John Sopko, Minority Counsel, Senate Governmental Affairs Committee, Permanent Subcommittee on Investigations (PSI).

2. Based on our conversation, it does not appear that PSI will be able to hold hearings in September 1986 on the defector issue. If this matter does slip past September, it is likely to slip all the way to the winter/spring of 1987 after the 100th Congress comes ~~into session~~.
